Sabre sailing yachts are covered by a LIMITED ONE YEAR WARRANTY. This warranty should be thoroughly reviewed by the customer before a purchase agreement is made. Please contact your dealer for details.

Sabre does not guaranty the durability of dark gelcoats. Hulls built with dark colors will fade more quickly than light colors, will show mold imperfections and scratches and can cause the laminate to post cure causing a cosmetic distortion of the surface. These deformations are not structural in nature and therefore are not covered by the Sabre Limited Warranty.
