Standard yacht has a sport yacht white hull and deck with cherry interior. See model specifications and equipment list for South Casco, Maine. Special option requests must be received seven weeks prior to molding of the hull, to assure availability and guaranty the durability of dark gelcoats. Hulls built with dark colors will fade more quickly than light colors, will show mold in scratches and can cause the laminate to post cure, causing a cosmetic distortion of the surface. These deformations are not covered by the Sabre Limited Warranty.
